DISCLAIMER: Inclusion in The Directory of Innovative Doctors does not constitute endorsement by The Life Extension Foundation, nor are these physicians affiliated with The Life Extension Foundation. All physicians who appear on this list do so on the sole basis of their own expression of interest in the fields of longevity, anti-aging or preventative medicine. The Life Extension Foundation has not verified the competence, professional credentials, business practices or validity of the expressed interests of these physicians. Life Extension Foundation makes no recommendation of any physician on this list and makes no suggestion that any such physician will either cure or prevent any disease, reduce anyone's rate of aging or extend anyone's life. Those consulting a physician on this list should approach the consultation exactly as they would with any other unknown physician. Listings are periodically updated. However, physicians are not obligated to notify The Life Extension Foundation should they relocate or retire. The Foundation relies in great part on member feedback, which determines the continued eligibility of the physicians listed. Please contact The Life Extension Foundation if you have any comments concerning any of the physicians on this list.
